How to Install PaperVision Capture

- 1. Go to http://ftp.rmm-i.com/Software/Digitech/Capture/
- 2. Click on the "PVC-R85.EXE" (no quotation marks) to download the PaperVision Capture R85 installer.
- 3. Once the installer has completed downloading, please copy and paste it to your desktop or folder on your C:\ drive in case the downloads folder will not allow installations from it.
- 4. Once you have placed the installer on your desktop or in a folder on your C:\ drive etc. the following steps will guide you through the installation.
- 5. Right click on the PVC-R85 installation file and "Run as Administrator" to begin the installation process.

| PVC-R85 | | 3/6/2018 11:27 AM | Application | 849,865 KB |
|---------|---|-------------------|-------------|------------|
| ۲ | Open Run as <u>a</u> dministrator Troubleshoot compatibility Pin to Tas <u>k</u> bar Pin to Start Men <u>u</u> Restore previous <u>v</u> ersions | | | |
